

Get the equipment you need TODAY!

No Monthly Payments For 120 Days!

That's right! You can buy the equipment you need NOW. You can take delivery NOW. You can start earning/saving money with that equipment NOW. First Capital will pay your vendor 100% of the invoice price NOW. You make **no monthly payments for 4 months!**

Total out of pocket expense is just a one-month security deposit and documentation fee. That's it! For the first 3 months you make only "contact payments" of just \$25/each beginning *30 days after delivery*. Example: Deliver by April 1st and ***your first regular monthly payment wouldn't be due until August 1st***. But it gets even better:

You can buy NOW,

Your vendor can get paid NOW,

No monthly payments due until August

And most businesses can still...

DEDUCT \$134,000 from their 2010 taxes!!

Most businesses will be eligible for 2010 "CASH-off-the-top" tax deductions of \$134,000 or more—using I.R.S. Section 179 deductions.. Many lease prospects will actually be cash flow positive in 2010 *after acquiring their equipment* during 2010!

Full details on the \$134,000 deduction are available from First Capital and/or on the First Capital's website at www.LeaseExperts.com/TAX_ADVANTAGES.htm. (Consult your tax professional)
